Toowoan Bay SLSC 67th Annual General Meeting

Notice is hereby given that the 67th Annual General Meeting of Toowoan Bay Surf Life Saving Club will be held on Sunday 21st August 2022 at 1pm, upstairs in the Clubhouse.

AGENDA

- Welcome
- Apologies
- Minutes of 66th Annual General Meeting Sunday 12th September 2021 (via Zoom)
- Business arising from previous Annual General Meeting 2020/2021
- Presentation, consideration, and adoption of 67th Annual Report and Financial Report of the Board and auditors 2021/2022
- Appointment and fixing of the remuneration of the auditors
- Election of Directors for the 2022/2023 Season
- Election of further office bearers for the 2022/2023 season
- Motion of affiliation with SLS Central Coast and SLSNSW
- Any other business of which notice is given in accordance with the constitution
- Meeting Close

Café Manager (Paid)	Tina Steele (until 20 th May 2022)
Café 2IC (Paid)	Kylie King (until 20 th May 2022)
Accountants/Auditor	Fortunity Chartered Accountants

President's Report – 2021/22

It is incredible to reflect on how much the landscape has changed since early summer. It is really pleasing to see how all members pulled together, even with the adversities thrown at us including the ever-present COVID, making 2021/2022 an enjoyable and extraordinarily successful season.

Our patrolling numbers stayed strong even with COVID restrictions in place and all patrols had a very eventful season with tsunamis, terrible weather, and some huge surf. The large surf over the holiday period resulted in an increase in rescues both at Toowoona Bay and at Blue Bay. SLSCC worked with Clubs to produce an information leaflet to be handed out to local tourist parks and shops detailing some of the potential hazards at our nearby unpatrolled beaches/popular swimming spots (Blue Bay and North Shelly). With this in mind, there were 30 rescues performed by TBSLSC volunteer lifesavers and I thank everyone involved as the outcome of each rescue was positive. The Club's **CORE BUSINESS** of **SURF LIFE SAVING** again thrived thorough the season. Thank you to all our patrolling members for your hard work and dedication in providing 6147 hours volunteering your time to keeping the beach going public safe.

The pandemic again caused uncertainty regarding member and community safety, however we were fortunate to have good retention of patrolling members and Nipper Families, with a large intake of new Nipper families. Our nipper numbers again exceeded expectations. In total TBSLSC had 737 members in 2021/22.

Our trainers, assessors and facilitators managed to deliver COVID safe courses and candidates competently completed these courses:

Advanced Resuscitation Techniques	4 candidates
Bronze Medallion	18 candidates
IRB Crew	6 candidates
Surf Rescue Certificate	14 candidates

We welcomed the new bronze members to patrols, increasing the strength of our patrolling teams. Credit must go to our Chief Training officer Sue Hale for all her efforts in her administration and organisation of these COVID safe courses ensuring the needs of SLSNSW, SLSCC, TAF's and candidates were met. Thanks must also go to our trainers, assessors and facilitators and SME's for your dedication to delivering outstanding training, assessing and facilitating which produces qualified, confident and adept lifesavers.

Our two nipper programs were again a huge success and I thank Lyn Waters (mainstream) and Karen Hickmott (Stingrays – for children with additional needs) for coordinating these. COVID again delayed the start of the season and it was decided that competition would not be actively promoted. COVID restricted local junior carnivals went ahead, and we had a small group of Nippers represent. Stingrays had another great year, although the weather gods were not kind! A group of Stingrays attended the Branch Inclusive Championships where they had an inspiring day. One brave Stingray registered for SLSNSW Inclusive Championships and was looking forward to the event, unfortunately it had to be cancelled due to a gastro outbreak.

Our Masters competitors attended some local and nearby carnivals with some good results. Number one team at SLSCC Branch Championships. State was unfortunately cancelled but they shone at Aussies 2022 on the QLD Gold Coast. Our Masters team came 12th (before boats points were included in the overall pointscore) in Australia out of the many clubs participating, and 1st out of the Central Coast clubs. Our Masters are a great bunch of athletes, excellent role models to us all, humble, and a group we should all be enormously proud of.

The Executive Committee has been extremely active during the last 12 months, details of which follows:

CONSTITUTION – A Constitution Committee was convened with the purpose of realigning the club's constitution with the Charities Act. The new constitution was approved by the membership at a special general meeting, it has been registered with Fair Trading and can be viewed at the [Toowoona Bay SLSC website](#)

HEAD LEASE - Our head lease with Central Coast Council (CCC) expired on 30th June 2022 and an application was made to continue the current lease in late February 2022. CCC wants to bring all surf clubs under a generic lease, and this may not happen for a number of years. The application has been lodged for a further 10 years under the current lease conditions and CCC has approved this in principle. Negotiations are underway with CCC to determine and clarify the Club's overall footprint.

CARETAKER – Our new caretaker Leigh Perrow has been in residence since March 2022 and has been completing duties around the club. If you have anything you see that needs his attention, let Jacqui in the office know or he is usually around on weekends.

CAFE – The Executive Committee made the decision earlier in the year to licence out the Café to a professional operator. After a lengthy EOI and interview process Carver Catering Pty Ltd was chosen as the new operator and Village Kiosk Toowoong Bay opened on Monday 20th June 2022. I've heard nothing but rave reviews. Come down and sample their coffee and tasty treats. Follow [Village Kiosk Toowoong Bay](#) on Facebook (@VillageKiosk) and Instagram (@villagekiosk) for daily updates.

WEB PAGE – Around mid-2020 it became apparent that the old website had been hacked and needed to be removed. With the help of Jordan at [Little Dog Design](#), the new [Toowoong Bay SLSC website](#) was rebuilt from scratch. This was quite a task which was completed (90% there) for the beginning of the 2021/22 season. Modifications and updates are ongoing but overall, it's a very informative resource. If you have any feedback, please use the 'Contact Us' tab, top right hand of the screen.

INVESTMENT – The Executive Committee made the decision to explore some investment options to secure the financial future of the Club. This was carried out in consultation with club sponsor and patrolling member Stuart Mangion of [Fawkes Financial Services](#). We'd like to thank Stuart for his advice and generous support.

LIFESAVING EQUIPMENT – We received delivery of a new IRB which will be ready for the new season. We also purchased a new motor with proceeds of the 2021/22 Beach Safety Equipment Fund (BSEF). We have also been gifted another motor from SLSCC. Two IRB hulls and two motors were sold recently to a private buyer.

SUNDAY SIPS – Sunday SIPS has turned out to be a tremendous success and the featured bands every second Sunday of the month has proved an extraordinarily worthwhile income stream for the Club. Negotiations are still underway for beer/soft drink supply from Schweppes and new wines have been sourced from Bidfood. My thanks to all the SIPS volunteers for their continued support in giving up their time on Sunday afternoons and public holidays.

BUILDING UPGRADES – The external and internal lighting in the hall area has now been completely upgraded with plans underway to upgrade the lighting in the hallway, stairwell, kitchen, uniform room and shed. The Uniform Room/Training Equipment Room has undergone a complete facelift with new flooring thanks to our sponsor [Choices Flooring Tuggerah](#), a coat of paint and new shelving. The new shelving has made organisation of the training equipment/manikins much easier and tidier. The uniform stock is now easily accessible, and club historical records and financial records are now all neatly stored in this room. CCC has agreed to replacing the tiles on the veranda and

I am still in negotiations with them to get a start date. Some of the tiles are cracked, missing or loose and this poses a safety issue. Renovating the tiling will only add to the appeal of the hall area. The shed roller door was replaced thanks to CCC. Remedial works on the roof carried out last year saved us from any significant damage through the recent weather events. Unfortunately, the caretaker's residence sustained some damage in that last east coast low and CCC were proactive in sending out a repairman as soon as they learned of the damage. A further grant is being sourced for more renovations and painting works to be carried out in the hallway, stair well, members toilets and office.

ANZAC DAY 2022 – Following on from the success of the 2021 ANZAC Day service on the beach, Mick Cook coordinated another successful dawn ceremony with over 250 people in attendance.

BOARDS/PADDLES – The Club received a grant from Wyong Rugby League Club Group and a COVID Sport Recovery Grant which enabled the purchase of three new racing mals, three new adjustable ski paddles and 13 body boards.

TBSLSC must acknowledge our club sponsors and supporters who continue to provide ongoing support which allows us to continue and free up funds to purchase quality lifesaving equipment and provide education to our lifesavers and our Nippers – our emerging lifesavers. [Magic Mums Cleaning Central Coast](#) continue to provide a fantastic service in keeping our members' change rooms and first aid room clean and COVID safe, [Central Coast Council](#) for providing its Beach Safety Operations Fund to all Central Coast Clubs. Please join me in thanking [Poseidon Pool Services](#), [Robbo's Automotive and Tyrepower](#), and [Zest Events](#) for their continued support. We are very fortunate to have the pro bono support of [Aubrey Brown Lawyers](#), [Fawkes Financial Services](#), [Fortunity](#), [Endeavour Marine](#), [Choices Flooring](#) and [Little Dog Design](#). Our plumbing needs are now met by new sponsor [Blocked Plumbing Services](#), who also supplied a new First Aid sun shelter. Thanks also to Jeff from [Hornby Project Signage](#) for updating our honour boards and he is working on new sponsor signs. Lastly, thanks to Robbie from [Alba Creations](#) for his support in carpentry projects that often come up throughout the club.

Thank you to the Executive Committee – Karen, Lyn, Mick, and Nicole for another eventful, productive year. Your support is invaluable. To our Chief Training Officer Sue and of course Jacqui in the Office, thank you for your valued overall support. I would also like to thank those senior members who have directly assisted and advised me during the season with their invaluable counsel.

Remember to 'Join the Fun'

Phillip Raymont
President 2021/2022
Toowoong Bay SLSC

Director of Finance Report – 2021/2022

Overall surplus for the year was \$40,961 down from \$109,483 in the previous year. This drop is largely due to a \$130k reduction in government COVID support packages but also an increase in the ability to and consequent revenue from hiring of the hall.

During the year we made a couple of investments into a new investment portfolio. This is being managed by our Club member and sponsor Stuart Mangion of [Fawkes Financial Services Pty Ltd](#). Current market conditions mean that our portfolio has suffered a drop in value, but these losses have not been realised and rallying investment markets are seeing the position improve. It is under regular review and the current investment profile has recently been endorsed as appropriate for the expected market conditions.

Karen Hickmott
Director of Finance 2021/2022

Sponsorships, Fundraising, Donations and Grants – 2021/2022

Sponsorships

This year we continued our tiered sponsorship program which clearly outlines the range of sponsorship opportunities and benefits to our existing and future sponsors who are generously supplying much needed cash or products/services or both to assist us in efficiently running the club.:

Platinum – over \$5,000

[Central Coast Council](#) provided us with \$7150 to cover costs of life saving equipment and supplies required to support and deliver our life saving service on the weekends and public holidays throughout the season.

We continued to be very fortunate again this season to have had the support of the team at [Magic Mum's Cleaning](#) to keep our member's change area and first aid rooms spick and span and COVID safe. Many thanks to our nipper mum Kim Burns, Tara Meurant and the team!

Gold - \$2,000 - \$5,000

[Narellan Pools Central Coast](#) and [Poseidon Pool Services](#) continue their three year sponsorship of our patrol trailer as well as providing our Toowoan Bay Stingray Nippers program with a new supply of volunteer rash shirts, jumping in the

water with us both as a valuable part of the Stingray Nipper program and on patrol. We also thank them for a much welcomed and needed donation of a clock for the exterior of the clubhouse.

[Robbo's Automotive & Tyrepower](#) – 2019 NSW Tyrepower Store of the Year continue as a three-year sponsor of our IRB trailer.

We are lucky to have the continuing support of [Fortunity](#) in the preparation and audit of our financial statements and general financial advice throughout the year.

ZEST EVENTS INTERNATIONAL

TBSLSC patrolling member Andi Methner and her organisation [Zest Events International](#) was successful in obtaining a grant to showcase the Abilities rather than the DISabilities of some of our Stingray Nippers. We look forward to launching this project “Look Mum Watch Me” as part of The Lakes Festival later in the year.

FAWKES
FINANCIAL SERVICES PTY LTD

1300 764 252

Patrolling member and Director of [Fawkes Financial Services Pty Ltd](#) Stuart Mangion continues to oversee and advise us on our investment portfolio.

We have been fortunate to call on the pro bono advice of [Aubrey Brown Lawyers](#) throughout the season.

We welcomed aboard our new plumbing service provider [Blocked Plumbing Services](#) who have come on board and now sponsor our First Aid tent

[Little Dog Design](#) assisted us with the redesign and implementation of our new website

Silver - \$500 - \$2,000

[Choices Flooring Tuggerah](#) kindly provided us with new flooring for our renovated uniform/storage area.

[Endeavour Marine](#) are now assisting us with the maintenance and servicing of our IRB motors at a discounted rate.

Bronze – below \$500

Many thanks to Jeff Hornby at [Hornby Project Signage](#) for continuing to keep our sponsor's and honour boards up to date.

We thank patrolling member Robbie MacDougall of [Alba Creations](#) for his assisting with various maintenance projects around the Club.

Fundraising

The Surf Life Saving Foundation must be acknowledged for conducting fundraising on behalf of Clubs and Branches, and this year we received \$6,100 from their efforts. Conducting fundraising efforts centrally frees up our members' time to focus their energy and resources on lifesaving activities – their number one mission. We acknowledge and thank all the members of the general public and donors for their generous support. Thanks for taking the call from Surf Lifesaving and buying raffle tickets. With these funds we purchased vital lifesaving equipment, First Aid Equipment, PPE and training equipment.

Distributions and Donations

We gratefully received the following distributions from events and donors:

Event/Donor	Net income
Envirobank (bottle and can recycling)	\$877.00
Fundraising from Surf Lifesaving NSW	\$6,100.00
Lions Club International	\$500.00
Various private donations	\$703.00
Benevity	\$131.00

One of our club members nominated us to be a part of a charitable platform 'Benevity' that facilitates corporate donations.

Grants

We are grateful to receive the ongoing support of the Wyong Rugby Leagues Club Group who provided us with a grant of \$8,800 for the purchase of replacement rescue boards and water safety craft.

During the off season, we applied to the Office of Sport under their Local Sports Defibrillator Grant Program to replace three defibrillators with new machines more appropriate for our aquatic environment. This program covers 50% of the costs of the machines, associated accessories and training.

We welcomed \$5,000 from the Federal Government Volunteers Grant Scheme which has been utilised to purchase a new BBQ, a speaker system for Nippers and a new fridge/freezer.

We received \$7,500 from the NSW Government COVID Business Hardship Grant Program, \$1,500 from the Small Business Fees and Charges Rebate and \$1,000 in a COVID Sport Recovery Grant which we used to purchase body boards for our nipper groups.

SLNSW provided \$2,500 as part of their Club Sun Safety Grant which we used to purchase wide brimmed hats for our patrolling member and our nipper age managers along with some sunscreen.

This year the Australian Government generously provided additional funding through the Beach Safety Equipment Fund to offer \$15,000 to clubs and we were able to utilise this funding to cover the purchase of a new Laerdal Airway Management Trainer, a Mercury 2 stroke motor including accessories and Surf Club Kit, comms helmet, various FA Supplies and oxygen bottle refills, and various patrol equipment (binoculars, radio cases etc).

We received \$1,685.84 through the SLNSW Club Lifesaving Equipment Grant (CLEG), which is proudly funded by the NSW Government. This grant allowed us to purchase a new oxygen resuscitation bag, a loud hailer megaphone and an IRB fuel cell.

Our Stingray Nipper Program was lucky enough to receive additional resources through grants sourced by both our national and branch organisations. SLSCA provided us with a Demon 45" Easy Rider Body Board through their 2021 Inclusive Beaches Equipment Grant, supported by their online learning supplier Etrainu and with thanks to their national partner DHL for providing the shipping. SLSCC provided a tent and we have just received two new foam rescue boards, two nipper boards and two sets of noise reducing headphones for our auditory sensitive nippers.

We are still waiting on feedback on our recent applications to the NSW Community Building Partnership Program for completion of various club refurbishment projects and an application to Central Coast Council for a collapsible hoist for our wheelchair bound visitors and members.

NSW Surf Life Saving Clubs are grateful for the continued support of these Government agencies:

- ✓ The NSW Government for the support of Resilience NSW for the ongoing funding of state-wide operations, which benefit all members through our cooperative agreement.

- ✓ The NSW Government for the support of the Office of Sport, for their support to increase usage, safety and participation in Surf Life Saving through ongoing programs.
- ✓ Federal Government for the Beach Safety Equipment Funding which directed \$15,000 to every SLSC for the purchase of vital rescue equipment, PPE, first aid and medical supplies.
- ✓ Federal Government for the VET Funding which enabled hundreds of assessors to update their training qualifications and provided clubs with updated training equipment including QCPR manikins and tablets.

Fees for the 2021/2022 Season:

Active Youth (U6-U8)	\$80.00
Junior Active (U9-U14)	\$100.00
Cadet (Inc 15yrs not holding BM)	\$80.00
Active 15-18yrs (holding BM)	\$80.00
Active 18+ (BM/Award)	\$80.00
Stingray Nipper	\$55.00
Stingray Associate	\$55.00
Associate (including Parent Associate)	\$75.00
Family Membership (2 adults and up to 3 children)	\$270.00
Family Membership additional family member	\$55.00

TBSLSC again offered a discount of \$20.00 on all adult membership renewals (Active 18+ and Associates, incl Stingray Associates) if renewal was received by 30 November 2021.

Vice President Rescue Services/Club Captain's Report – 2021/2022

Firstly, let me thank all patrolling members and all patrol captains for your excellent work during the season.

We had several rescues during the season, which of course, is our main task of being on the beach. However, this task is not confined to just being on the beach. We are also there to help in the successful running of the Club and serving our local community.

Statistics for this season:

Preventative Actions:	250
Rescues:	30
First Aids:	63
Attendance:	67, 025

Special mention must be made to acknowledge those people who put in extra effort outside of patrol hours, especially:

Ruth Cook (The Bride) – for her efforts in maintaining the first aid room to such a high standard (best on the Coast)

Cuddles and Mike Hayhurst for keeping the IRB's and motors in good shape and running.

Rod Mergan – Board Captain, Karen Igoe – Ski Captain, resident cabinetmaker Corban Trim for all your work through the season, and Jacqui who keeps it all together.

I would also thank my fellow Executive Committee members for all their support.

Yours in Lifesaving

Mick Cook

Chief Training Officer's Report – 2021/2022

In my second year as Chief Training Officer (CTO) for Toowoon Bay SLSC, I would like to thank everyone again for assisting and supporting me in this role.

I have a great appreciation for all the trainers, assessors, and facilitators within this Club. Their knowledge and experience is profound and our community is very lucky to have such a passionate group of people who are not only willing to pass on their skills, but also to step out of their comfort zones and learn new skills.

I again thank John and Jenny McNamee for the wealth of experience they bring in training Advanced Resuscitation Techniques. Their knowledge and support is very much appreciated not only by the club, but by me personally. John also sought and acquired new defibrillators. These defibrillators are more suited to the marine environment and match with our training defibrillators so ensuring operators have confidence should they find themselves in an emergency requiring a defib.

This season Denis Hannigan returned to patrolling and club duties, along with training, after some time away travelling. I thank Denis for his loyalty to Toowoon Bay SLSC, his enthusiasm, his sense of community and his ongoing commitment to education. E Learning was something Denis Hannigan was not comfortable with when he returned to training, but with my support, and the support of his peers, he is now confident in managing the online components of the Bronze Medallion course.

This season we welcomed Darryl Lennox to training IRB's and the club is very lucky to have a trainer with the depth of experience Darryl brings.

I again extend my thanks and appreciation to Greg Owen for his excellence in training the Surf Rescue Certificate – these are our emerging lifesavers. Without education and young members coming up through the ranks of Surf Life Saving, striving to learn more, we have no future lifesavers to keep our beach safe! Greg has earned the respect of trainers and students alike and is a great asset to our team. Thank you also to all the Special Material Experts (SME) – Graham Jackson, Stuart Mangion and Geoff Cresswell - who assisted alongside our trainers, sharing their great skills and knowledge.

COVID again forced some restrictions which trainers took on with flexibility and patience. Training has adapted to COVID regulations and courses were run in a COVID safe environment.

Our newest Bronze Medallion candidates joined patrols with great enthusiasm and confidence. We welcome club sponsors Anders, Deborah and their son William from [Poseidon Pools](#) to Patrol 3. Anders has been very busy in the off season upskilling in readiness for patrols next season. Surf Life Saving offers many options for upskilling, and I am happy to see many members taking up these options.

Thank you for the opportunity to lead our wonderful education team at TBSLSC. I'd also like to thank the SLSCC Board of Education members and the SLSCC Education Support Officer Michael Hyslop who shared their vast knowledge with me.

I must acknowledge others who are so readily available to share their knowledge as trainers, assessors and facilitators including Chris and Julie-Ann Fillingham, John Vergara, Chris Manning, Bil Kensey, Lyn Waters, Nicci Stephenson and also Irene and Noel Smith (both health professionals) who are always happy to assist. It is important for all of us to remember that the running of a course is a huge volunteer undertaking with the trainer giving so much to our Club.

Vice President Youth Services/JAC Report – 2021/2022

It's very lucky that I have a sense of humour and am very resilient as 2021/2022 season proved to be very testing for everyone involved in Toowoan Bay Nippers! We were used to coping with COVID19 and had the necessary protocols in place so that we could eventually start, albeit later than normal, on November 7th 2021. The adults were well trained after the previous season and were accustomed to signing in with the QR code. Thank you Jacqui, for meeting them all at your table and letting the flow of nippers proceed smoothly. Luckily, there have been no problems from the adults when we requested to sight proof of vaccination.

We held two and a half full days of nipper registrations where we picked up quite a few new families and individual nippers. Thanks to Kristen Meikle for outfitting nippers in the club cossies, rashies and caps. At the commencement of the season, we had 284 nippers registered in the Under 6's through to the Cadets. All clubs on the coast had to start on November 7th due to everchanging COVID rules and regulations. On our first day, we managed to sign off on most nippers for their preliminary and competition evaluations before the rain came and sent everyone heading for shelter as the heavens opened and the rain came down to give us a wet start to the season. The second Sunday brought glorious sunshine and parents and nippers were smiling and once again having fun. However, the third and fourth Sundays were cancelled due to wind and rain which would have made for very unpleasant days on the beach.

Most age groups had a manager or two at the start of the season, but there were some age groups that struggled in the beginning. Luckily, we had parents put up their hand to assist. As usual, the largest numbers are in the Under 6's with 57 and there were 47 in the Under 7's. The emphasis is on games with skills useful when they move up into the older age groups. We held our first Club Championships on Sunday 12th December in almost normal weather conditions. The next Sunday was an exciting session with plenty of excited nippers enjoying Christmas themed games and awaiting the arrival of that special jolly person.

Once again, the IRB delivered a dry Santa who entertained, and was entertained, by noisy nippers. Lollies, sausage sandwiches and a drink were consumed by very happy little people. A snowman was seen running around the beach and before he melted, he promised to return next Christmas. Thanks to the BBQ crew of Chris Manning, Mei-Ling Venning and Denis Hannigan for feeding the hungry mob. After a 2-week break, the weather again kept quite a few nippers off the beach and for those who braved the cold day, we held a Surf Education session in the hall for everyone before they returned to the beach for water activities. Toowoon Bay also had several competitors compete at the Junior Carnival held at Killcare on 9th January 2022. A few nippers pulled out due to weather conditions and the uncertainty of COVID cases, which was well founded as three positive cases were reported at the carnival. We had some AMAZING results from the following competitors:

Under 14 Boys	Leo Mueller-Ahsmann - Flags, Sprint, Board 24/31 and Ironperson 14 th Zaid Holland - Flags 5 th , Sprint 4 th , Swim 17/31, Board 8 th and Ironperson 11 th <i>Terrigal Carnival – Sprint 2nd and Flags 3rd</i>
Under 13 Girls	Matilda Baldwin – Sprint, Swim 32 nd , Board 14 th and Ironperson Zoe Peat - Sprint, Swim 13 th , Board 11 th and Ironperson
Under 11 Girls	Georgia Baldwin - Flags, Sprint and Ironperson 12 th Isabelle Bond - Flags, Sprint and Ironperson 10 th Leiona Holland - Flags, Sprint and Ironperson 19 th Olivia Parker - Flags, Sprint and Ironperson
Under 9 boys	Hugh Alexander - Flags, Swim 54/58 and Board 13 th Josh Bond - Flags, Swim 8 th and Board 37/55. <i>Terrigal Carnival 3rd in Flags</i> Taj Parker - Flags, Swim 48/58 and Board 11 th Male Surf Team 4 th

WELL DONE TO ALL COMPETITORS, PARENTS AND SPECTATORS!!!!

And just for something different, Mother Nature gave us a tsunami warning on Sunday 16th January, and we had to cancel nippers as all NSW beaches were closed.

Sunday 23rd January was our 2nd Club champs conducted in stunning conditions. On the morning of 23rd January, we assessed the remaining SRC Under 14's and with the fine training skills of Greg Owen, Graham Jackson (in training to be a trainer) and their Age Manager Pete Harrison, we will have a great group of newly certified young lifesavers. As the Junior Branch Championships had to be cancelled due to dangerous surf conditions, this compromised our third and final Club Championship Day. This year a two-day trial was implemented for the Junior Branch Carnival – sand only events on Saturday, followed by water only events on the Sunday. However, Mother Nature had different plans and luckily all competitors in the area where I was officiating managed, just, to complete their events before tents, competitors, and parents were sent running for cover when the storm broke. The carnival was put back to the next weekend which sent our calendar into disarray. This resulted in some age groups running club championships on a different Sunday so as to not affect the competitors. Our wonderful “Smile for the Camera” photographer Karen Suprain graciously visited our beach over several Sundays to make sure all age groups had the opportunity to be immortalised on paper.

Toowoan Bay had two competitors attending SLSNSW Championships which again, due to extremely rough seas, conditions and an outbreak of gastro, was cancelled and they were not given the opportunity to compete.

And just when we had the perfect weather to enjoy a wonderful one of the last nipper days, along came two rather large marine creatures cruising the waters along our beach up to North Entrance and back, this meant our beach was closed for safety reasons. At least the nippers had plenty of fun on the sand.

On Sunday 27th of February, we were saying goodbye and good riddance to one of the most tumultuous seasons that we have ever experienced as Toowoan Bay Nippers. At least the weather was kinder to us in the last week as we held a rather noisy, but fun filled presentation for the Under 6's and 7's in the hall. Many thanks to Tod Dixon, Age Manager for the 7's, who kept the kids running around playing games, so that they could sit still for longer than five seconds on the floor. Lots of happy faces left the presentation area with their medal and books proudly carried away. Parents left smiling and more than keen to return for next season. We finished the presentation with tables full of party food that was demolished by the hungry hoard.

Sunday 20th March was the turn of the Under 8's through to the Cadets for their presentations. As the elders of the nippers, the Cadets were put through their usual “torture” session under the orders of Geoff and Tony and when they finally dragged themselves off the beach they were treated to a BBQ, drinks, and gift of goggles for continuing to be an essential part of Toowoan Bay Nippers. The remaining age groups had their presentations spread over two time slots so that we could accommodate the numbers in the hall. It was pleasing to see a very good turnout for the day. COVID kept some families away and again plenty of families expressed a desire to return next season, hoping that it would not be so disrupted by COVID, the bad weather, marine creatures parading near the beach and a tsunami that closed our beach. I said I would see what I could do but made no promises!

There were a few surprised nippers when their names were called up to receive an award and a very HUGE THANK YOU to all Age Managers who gave so much of themselves to the nippers in their care during this trying season.

Without you, Sundays would not have been the same. This season's team of Age Managers were an invaluable asset to our club. Week in and week out, they gave up their time and passed on valuable skills to the nippers in their care. This dedicated team have years of experience that resulted in new talents being developed and new behaviours fostered within the nippers. To the newbies who stepped up and took on an age group THANK YOU, to the long timers again THANK YOU and a special THANK YOU to Bil and Karen Kensey who stepped in whenever and wherever we had a gap to fill. It was great to have ALL of you working as a team for the betterment of our nippers. In the early, early hours of every Sunday morning, I had the absolute pleasure to have the legendary Matt Allen stand beside me, coffee in hand, to determine beach and water set ups or, as was the case on too many occasions, whether Nippers would proceed due to the plethora of bad weather moments. The morning set-up crew consisted of Matt, Geoff Creswell and his trusty sidekicks, Gemma Harrison and Holly Nash to set out the swim cans, Pete Harrison and Gary Nash to set out the beach poles and equipment. Every week this team set up without complaining and my eternal gratitude goes to you all.

After 30 years as an active member of Toowoon Bay SLSC, I am stepping sideways to allow younger members to move and motivate our nippers. I had fun and found the experience of being JAC motivating, frustrating, enjoyable, and challenging. I absolutely loved seeing the smiles on faces of our younger and older nipper families, I felt proud when I heard the positive feedback provided and most of all I loved the feeling of family that we established during my two-year tenure. I will see you on the beach next season but not so early as 5.30am!

Lyn Waters

Vice President Youth Services/JAC 2021/22

Age Managers for the 2021/2022 season:

Under 6's: Georgia-Leigh Meikle and Jacinta Vergara

Under 7's: Tod Dixon and Amber Ozols

Under 8's: Luke Deger and Nicole Syphers

Under 9's: Nathaniel D'Ugo and Matthew Allen

Under 10's: Emma Young

Under 11's: Byron Simpson

Under 12's: Nicole Locker

Under 13's: Chris Baldwin

Under 14's: Peter Harrison

Cadets: Geoff Creswell

A **HUGE THANK YOU** to all Age Managers, Nippers, parents, guardians and helping hands who believed in our Toowoon Bay Nippers and joined in the fun regardless of the weather, COVID 19, and other obstacles we seemed to face on a weekly basis.

Under 6's

Age Managers: Georgia Leigh Meikle and Jacinta Vergara

During the first few weeks of Nippers for the Under 6's, we focused on dipping their toes into the various physical activities we had planned for the season. These activities acted as the basics for what you would see the older kids do at competitions. At the start of the season, a lot of the kids were shy and scared to do the activities, especially in the

water, without their parents with them but as the season went on, we slowly encouraged them to break away from their parents and become more and more confident in the water and on the sand each week.

We informed the kids with the essential surf awareness skills necessary for them to enjoy being at the beach while still being aware of the dangers present in the surf. An example of this would be to stay between the red and yellow flags while swimming, always be with an adult or much older sibling while in the water, etc.

The kids thoroughly enjoyed racing each other with the beach sprints, the relay races and the obstacle courses each week, these activities really pushed them. Each week we tried to change up the routine to keep the kids engaged and having fun. One week we would focus on wading and then the next week we would enhance on those skills and practice our dolphin dives along with the wade. By the end of the season, their confidence had grown, and you could really see they were enjoying the various activities we planned.

Georgia-Leigh Meikle

Under 12's - Purple Sea Pigs

Age Manager: Nicole Locker

The enrolments for the 2021/2022 season were consistent with the previous season.

During the season we covered the lesson outcomes required, enjoying time to snorkel at the north end of the bay and helping on the odd occasion in the younger age groups. We were lucky to have consistent help from two of the parents, Rachael Timbrell and Adam Aldridge.

At the beginning of the season, the U12's chose not to run a Club Champs, however, they changed their minds, and we ran a one-off Club Champs at the end of the season. This provided us with our champions. Over the season the kids developed their board skills further and enjoyed their first times on fibreglass boards. Although most are not strong swimmers, their swimming achievements in the ocean were substantial.

As with all age groups, we were dealt several covid blows with only three of the nippers being able to attend the presentation.

For the 2022/2023 season, I intend on taking on the U13s Age Manager role and remaining with these kids.

Nicole Locker

A **HUGE THANK YOU** to all Age Managers, nippers, parents, guardians and helping hands who believed in our Toowoon Bay Nippers and joined in the fun regardless of the weather, COVID and the other obstacles we seemed to face on a weekly basis.

Toowoon Bay Stingray Nippers – 2021/2022

(Modified Nippers Program)

We had yet another record number of participants this year – 21 in total. The cohort of participants presented us with an opportunity to split into two groups – one group continuing the traditional nipper focussed sand and water events – with flags, relay races, obstacle courses, board, and mat water activities. Then a new 'Stingray Lifesaver' group was created for some of the older, more experienced participants to extend their knowledge and participation into areas of the Surf Rescue Certificate and cover some first aid, CPR, and tube rescue activities under the tutelage of various trainers who generously volunteered their time to the program as guest presenter – many thanks Greg Owen, Chris Fillingham and Sue Hale.

This season, we had a large contingent attend the SLSCC Branch Inclusive Nipper Carnival and we came home with a swag of medals and a lot of smiles and happy memories. We had one Stingray eager to compete in the SLSNSW

Inclusive Carnival, but it was sadly cancelled at the last minute – he still got a night in a hotel if not more medals to add to his collection! Many thanks to John McNamee for coaching our victorious team.

[Poseidon Pool Services](#) very generously provided additional rash shirts for our volunteers and this year even joined in the fun in the water. We loved having them hands-on in the program along with new and returning volunteers from the club and the broader community.

We continue to be blessed with a terrific crew of participants and their families who line up to get sandy and wet each week. We could not achieve any of this fun without the incredible army of volunteers who support them. Wonderful relationships form over the course of the summer, and it really is an embodiment of our club motto “Join the Fun”! Thank you one and all for making this program a reality!

Cadets and Seniors Report – 2021/2022

This season went really well, and whilst we had quite a number signed up this year, apart from some regulars, we tended to have different faces from week to week. At this age, numbers are affected by part time work, sleep deprivation and whether the phone calls have gone out early enough between friends to ensure they are going to turn up or not!

Pleasingly, we increased on the numbers from the year before and even picked up a few more as the season progressed, where interest and motivation were the enticement.

Very pleasingly, we set a goal that we were going to swim the bay again this year, and most regular cadets were able to achieve this. Some rough seas, poor water quality and a tsunami gave us a little break from water activities. On these days we chose to work on our aerobic conditioning doing sand sprints and Bondies. It was great to see everyone joining in, including some of the parents.

There are a few Cadets that could be identified for their achievements in and out of the water, but as a whole, they should all be applauded for their different personalities and attitudes, which made a rewarding experience for me and the other parents/adults that also turn up every week to help out.

Parents of these Cadets should be very proud of these young people, they are all GREAT young Australians!

Team Leader – Cadets – Opens

Function Room Report – 2021/2022

Another interesting year!! Finally, after two years of lockdowns, mandates, masks, QR Codes, social distancing celebrations were back! There were consistent bookings for weddings, engagement parties, surprise birthday parties, family gatherings and wakes once the COVID cloud lifted. Feedback is still good, we offer value for money and still have niche market appeal by allowing hires to bring in their own alcohol and use their own caterer or cater themselves. The size of our event area and its uninterrupted view are very attractive to many hires especially those who are looking for the smaller, more intimate event space.

Sunday SIPS is going really well, and patrons are enjoying a lazy Sunday afternoon drink with the best view. Every second Sunday of the month, SIPS features local bands and artists. This has proved very popular and a lot of fun. Featured bands include – NYC, Takin Care of Business, Village Idiots. Word is getting around about Sunday band days and some new artists are in the line-up for May 22 – April 23.

I must thank Karen Hickmott and her son Ben for coming to the Club every Thursday to stock and unpack the fridges depending on events over the weekend. Ben is extremely diligent when it comes to recycling, making sure the bottles and cans are sorted into the correct bins, the bins are emptied, glasses are checked for cleanliness and stacked neatly. They do a fantastic job ensuring the fridges are clean, stacked and ready for a hire and SIPS.

My thanks to Karen Hickmott and Tracey Clifton for always being available when I need bar staff for events, your professionalism, hard work and good humor when working said events is valued and your help in re-stacking the fridges following an event (usually late Saturday night) in readiness for Sunday SIPS is invaluable and much appreciated.

Thank you to Karen for managing the Bar and the SIPS Volunteer Roster. I also can't go without thanking all the Sunday SIPS Volunteers for giving up your Sunday afternoon – Denis Hannigan (LM), Helen Clifton (LM), Mark Shearan (LM), Phillip Raymont, Ben and Karen Hickmott, Tracey Clifton, Jacqueline Dunkerley, Craig Horton, Nicole Cameron, Chris Manning (LM), Christiana and Rod Mergan, Denise Ryals and Garry Chappell.

We now have a few fitness/yoga options available at Toowoan Bay SLSC during the week, and anyone can join in:

- ✓ Monday, Tuesday, Wednesday and Friday each week – Roslyn Forman of Central Coast Exercise leads small group classes and individual PT sessions focusing on restorative pilates, strength classes to work on your stability, core strength and functional movement. All fitness levels catered for, book in for an assessment with Roslyn [HERE](#)
- ✓ Yoga with Shona Bridge takes place on Tuesdays from 11am until 12pm. Focussing on stability, strength and relaxation with all levels catered for. New participants always welcome and encouraged to join in. Call Shona 040448615 to book in for a class and for more information on Shona, click [HERE](#).
- ✓ Blake Peachy continues to guide you through his Friday morning (7am) yoga asanas/positions with variations for all levels of ability, combining mind, body and breath. Reach out to Blake through his FB page – [‘Yoga By Blake’](#) if you would like to join in.

Forresters Beach and Bateau Bay Probus (craft, songsters) continue their monthly meetings here.

Our Caretaker Josh Higgins finished his tenure at TBSLSC as caretaker when he accepted a position with Australian Border Force. I was very sad to see him go, he was a great caretaker who was always on hand ready to help out wherever necessary, liaising with security guards at the culmination of an event, and making sure the club was maintained. Not long after he left, we began the EOI and interview process for a new Caretaker. I'm happy to say that Leigh Perrow, CCC Lifeguard, was appointed as our new caretaker and moved in and commenced his duties in March 2022. Leigh has jumped into the position and is working hard on maintaining the club and grounds and different projects around the Club. Leigh is eager to help wherever he can, let him know if you see anything around the club that needs attention.

Love sign from [Light Up Moments](#)

Full day hire is still \$1,800.00 with a \$1,500.00 bond also charged along with after cleaning at \$220.00 and one security guard at \$200.00 for the evening. Hourly rate remains at \$132.00/hour with a minimum booking of six hours. Wakes and Sundays negotiable. Bookings are steady for Spring/Summer 2022/23. There has also been renewed interest from CCC to hold their planning meetings here.

Thank you again to the Executive Committee for your continued and valued support.

Jacqui Donadel
Function Room Manager 2021/22

Master's Report and

Results – 2021/2022

Our Masters have had another busy season that was plagued with lockdowns, bad weather and poor water quality. Nevertheless, the crew have kept themselves fit and busy.

Our first carnival in January at Fingal Bay is one of our favourite carnivals and we were thrilled to come third. With Karen Igoe and Robbie MacDougall giving us all a master class on the Ski!

In February SLSCC Branch Championships were held at Shelly Beach and unfortunately due to surf conditions the carnival was postponed after the sand events, at which time the Toowoon Team was leading the points score (not uncommon prior to water events!).

Aussies was held at Broadbeach/Kurrawa with Toowoona coming 18th out of 140 clubs and a total point score of 80. This was the highest points score of all the Central Coast clubs for the second year in a row. All of our competitors came home with a medal.

Our superstars Julie Dawson and John McNamee collected gold in the sprints, flags and 1k beach run. Barb and Wendy collecting silver and bronze medals in many events.

Our 230yrs female beach relay team – Julie Dawson, Jenny Perram, Estelle Wicks and Christiana Mergan – also picked up a bronze medal.

A huge shout out to Jenny McNamee for officiating at every carnival for us this season. Without the support of our officials, we could not participate.

The season concluded with our Master's Club Championships in May.

Our Masters group is always keen to welcome new members and there is a variety of swim, run and paddling activities all year round.

See you soon on the beach

Toowoan Bay Ocean Swim 2021

It was with a mixture of disappointment and frustration (and some relief due to the anxiety of the unknown) that the organisers of the 2021 Toowoan Bay Ocean Swim made the difficult decision to cancel the 2021 event.

We knew that the event had been generating plenty of interest from potential participants and so we felt awful, but after taking in as much information as possible, the decision we made was one that the organising committee was most comfortable with.

We are actively planning the 2022 event as I write this annual report.

We have re-engaged our generous sponsors who have committed their support and we are now assembling all other facets of the event.

We respectfully request that all members of Toowoan Bay SLSC make themselves available to assist in roles such as logistics and water safety as this is the only ocean swim in the Wyong area and a real showcase for Toowoan Bay and its surf lifesaving club.

The 2022 event is scheduled for **Saturday 26th November** and members are asked to assist anytime from 5.30am with the first event marshalled at 8.30am.

We look forward to another successful Toowoan Bay Ocean Swim.

Greg Owen
Toowoan Bay Ocean Swim

Annual TBSLSC Awards of Excellence – 2020/2021

COVID forced our hand again and the 2020/2021 Senior Presentation had to be postponed until Friday 17th December 2022 when restrictions had eased. A great night was had by all!!

Toowoan Bay SLSC's newest Life Member Bruce Mohr was presented with his jacket.

Three outstanding rescues were recognised – Kerry Davenport, Jeff Rolls and the team of Moi Laidlaw, Karen Igoe, Mike Hayhurst, Graham Jackson and Craig Horton.

30 year patrol service presentation was made to Dean Griffin and Phillip Raymont.

Historian Lyn Waters was presented with a framed jacket donated to TBSLSC by past member Mick Morley.

Uniform Shop –2021/2022

This season again a very productive and busy time for the Uniform Shop. The focus remained on shifting the older Catfish stock and aged uniforms from previous seasons whilst maintaining current stock to satisfy the needs of members for training and competition.

Many thanks to Karen Suprain, Karen Hickmott and Jacqui Donadel for your assistance throughout the season, your help is very much appreciated.

I am pleased to report that there is now very little older stock items left, which I am confident will be shifted during the next registration period. The success of the sale in items has been achieved through a continued presence on the beach and extended operating hours each week throughout the season and where possible operating from outside the gear shed on Sunday morning to capture passing traffic.

It is hoped the following season will continue to see a decline in the amount of goods stored on site to allow the introduction of newer items to be purchased for our member's benefit. Silicone swim caps being one such example. Stocktake and management of goods sold, and in-stock has been made much easier thanks to the ease of the Square system which continues to be a fabulous tool in enabling members to purchase goods without the need of carrying cash to the beach.

Please don't be shy, an extra pair of hands will be very much appreciated and it's a fantastic way to meet all the wonderful members of Toowoon Bay Surf Club.

See you on the beach

Kristen Meikle
