

Frequently Asked Questions:

What age group will my child be in?

The age group that your child will be in is determined by the age they are as at the 30th September the year you are joining. For example, if your child was 11 on the 30th September (turning 12 on the 5th Oct) they will be in the Under 12 age group (even though they are 12).

Does my child change age groups if their birthday is during a season?

No. The age group that your child will be in for the whole season is determined by the age they are as at the 30th September the year you are joining.

What happens when my child finishes all the various junior age groups?

Nippers is designed to gradually introduce your child to the role of a qualified surf lifesaver – we hope that once your child finishes nippers they will continue their journey with surf lifesaving by completing one of the many awards available to enable them to help give back and keep your local beach-going community safe. As a member of Surf Life Saving, they can also continue to compete in their favourite activities at a state and national level!

What activities do they undertake in Surf Life Saving?

As your child grows older, they will still have lots of fun and activities will start to include both surf lifesaving skills and personal development skills. When your child reaches the Under 8 age group, they will also be able to start competing in their favourite skills in surf sport.

What can I do to help?

There are lots of ways you can [get involved at the club](#). If becoming an age manager or surf lifesaver is not for you, there are plenty of other tasks that will need completing at your club! Perhaps you could help with training, coaching, officiating, fundraising or cooking the Club BBQ? All parents who get involved must become a member of their club.

How do I support my child's skill development?
